"Cookies" are files that can identify you as a unique customer and store your personal preferences as well as technical information (including click through and click stream data). Cookies can either be permanent (i.e., they remain on your computer until you delete them) or temporary (i.e., they last only until you close your browser). We may also use "Web beacons" that monitor your use of our sites. Web beacons (or Web bugs) are small strings of code that provide a method for delivering a graphic image on a Web page for the purpose of transferring data, such as the IP (Internet Protocol) address of the computer that downloaded the page on which the Web beacon appears, the URL (Uniform Resource Locator) of the page on which the Web beacon appears, the time the page containing the Web beacon was viewed, the types of browser that fetched the Web beacon and the identification number of any cookie on the

On their own, cookies or Web beacons do not contain or reveal any personally identifiable information. However, if you choose to furnish the site with personally identifiable information, this information can be linked to the data stored in the cookies/Web beacons.

By accepting this Privacy Policy, you specifically agree to our use of cookies and Web beacons as described herein. You may adjust your browser to reject cookies from us or from any other Web site. Additionally, by setting your Web browser to display HTML e-mails as text only, you may be able to prevent the use of some Web beacons. Please consult the "Help" section of your browser for more information. However, certain areas of our sites can only be accessed in conjunction with cookies or similar devices and you should be aware that disabling cookies or similar devices might prevent you from accessing some of our content.
