Property Overview

Rare opportunities like this do not come available often. Located just **west of Altus, Oklahoma**, this **16.5± acre aviation property** offers a unique combination of **runway access, expansive hangar space, living quarters, office facilities, and commercial flexibility**. Whether you are an aviation enthusiast searching for a private airstrip, an entrepreneur needing flexible workspace, or someone looking for a one-of-a-kind multi-use property, this tract provides possibilities that are difficult to find.

At the heart of the property are **two private runways**, creating an ideal setup for aircraft access and operations. The property features an impressive **½-mile grass runway measuring approximately 75 feet wide**, ideal for light aircraft and recreational flying, along with an additional **2,400± foot asphalt runway approximately 15 feet wide**, adding convenience and versatility for aviation needs.

Hangar, Workspace & Business Potential

The centerpiece improvement on the property is the substantial **74' x 60' hangar**, built to accommodate aircraft, heavy equipment, vehicles, storage, or business operations. Featuring approximately **16-foot walls** and a massive **59' wide by 14' tall hangar door**, the building offers outstanding accessibility for planes, large machinery, RVs, trailers, or oversized equipment.

Inside the hangar, you will also find an **office space and additional bathroom**, making the property highly functional for commercial operations, aviation businesses, mechanics, fabrication work, or personal workshop use. Whether operating a business, storing valuable equipment, or simply pursuing hobbies that require room to spread out, the versatility of this space is hard to overstate.

Living Quarters

Adding even more convenience, the property includes approximately **990 square feet of living quarters featuring 1 bedroom and 1 bathroom**, creating a comfortable on-site residence for full-time living, weekend stays, caretaking, pilots, guests, or business-related accommodations.

The ability to **live and work from the same property** creates tremendous flexibility while making daily operations more convenient. Whether used as a private residence, pilot quarters, office residence, or rental opportunity, the living accommodations significantly increase the functionality and long-term appeal of this property.

Endless Possibilities

Properties like this are incredibly difficult to duplicate due to the unique combination of **aviation infrastructure, workspace, acreage, and living accommodations**. The property could serve a wide range of uses, including:

- Private aviation property or personal airstrip
- Commercial business headquarters with office and storage space

- Aircraft storage, maintenance, or mechanical shop
- Large-scale workshop or fabrication facility
- Equipment storage and contractor headquarters
- Investment property with income-producing potential
- Personal hobby property with room for toys, tools, and equipment

Why You'll Love It

If you have been searching for a truly unique property that combines **aviation access, large-scale workspace, acreage, and on-site living accommodations**, this property deserves serious consideration. Whether your goal is flying, business, storage, investment, or simply owning a versatile one-of-a-kind setup, this property offers flexibility and opportunity rarely found in today's market.

From the **private runways and oversized hangar** to the **comfortable living quarters and commercial potential**, this property offers a rare chance to own an aviation-focused property with virtually unlimited possibilities.
